

070403 Guideline for UEMP supported publications.

Three simple rules are to be followed:

1

The publication should be **clearly marked** with the text:

"This publication and the work behind it have been produced with the support from the URBAN ENVIRONMENT MANAGEMENT PROGRAMME. The programme is a collaboration between **10 South African government institutions** on the national, provincial and municipal level, supported by the Danish Development Agency, **Danida**. More about the programme on: http://www.ambpretoria.um.dk/NR/rdonlyres/126C55AB-7F62-48E6-8FD9-DE465454D7BB/0/03102006_UEMbooklet.pdf "

2

Include these two logos - of the republic of South Africa and of The Kingdom of Denmark.

3

When you publish kindly send a file (Pdf or similar) to the international Programme advisor (ble@deat.gov.za) for records and adoption on the upcoming UEM-home page.

If any questions arise please do not hesitate to contact the International Programme Advisor :

Bo Leth-Espensen
International Advisor - Urban Environment Management Programme.
